

CHANTELLE

SHARED
RHYTHMS

Passionate for what connects straight to our hearts creating bliss & movement. Using music as her medium, melodic feels, powerful vocals and strong, driving beats to pull you into hard hitting dance moments together, you will surely feel the passion & love.

Chantelle flows between a range of electronic music genres, depending on the hour & atmosphere from Deep techno, progressive house & techno, melodic house, & organic house, always with the common theme to bring the dance floor alive!

Find her often on the decks as her duo Polarity with Adrenal as an intense polar force to the dance floor! Canadian calling Nicaragua home, she is deeply embedded in supporting music culture & connection for all!
